

SENTIMENTAL VALUE IS CAPTURED IN PATRIOTIC PHOTO OF VFW'S ORIGINAL LADIES AUXILIARY UNIT

HOLD ONTO THIS 1947 PHOTO OF CHARTER MEMBERS OF THE LADIES AUXILIARY TO THE TECH/SGT. WILLIAM S. SNELL POST #7186, VETERANS OF FOREIGN WARS, AND MAYBE SOMEONE WILL IDENTIFY FOR US THE VERY FAMILIAR FACE OF THE MEMBER STANDING SECOND FROM RIGHT. AFTER ASKING THREE OF THEM WHO REMEMBERED THE FACE, BUT NOT THE NAME, WE RAN OUT OF TIME, SO HERE ARE THE OTHERS, FROM LEFT TO RIGHT - OUR THANKS ARE DUE Mrs. Sophie Gary for the loan of the photo, which has such nostalgic and sentimental value that it should be restored for the Auxiliary's historical purposes as well as a personal keepsake for current members. It represents three decades of dedicated service to disabled and hospitalized veterans of all wars, much of it at great personal sacrifice, as it was rendered faithfully by the late Mrs. Eunice Bailey.
